Accordingly, Government order read at (1) above was issued.

In the 138th SLSWCC meeting held on 07.03.2023, committee was accorded approval for extension of time by 2 years to implement the project, with a condition that further extension of time will not be considered. Accordingly, Government order read at (2) above was issued.

Status of Implementation of Project:

Company vide letter dated 05.02.2025 has informed the following:

- They have already paid a sum of Rs.31,43,44,800/- to KIADB on 21.01.2023 towards tentative cost of the project.
- Subsequently, on 28.02.2024 the KIADB issued preliminary notification bearing CI 45 SPQ 2023 declaring to acquire the land to an extent of 21 Acre 4 Guntas and thereafter on 18.05.2024, the KIADB issued a Second demand note directing the company to deposit a sum of Rs. 32,37,19,200/- Accordingly, on 20.06.2024, the company had deposited a sum of Rs. 32,37,19,200/-.
- It is further informed that our company has been complying and has already complied with the directions and instructions as and when issued by the KIADB without any delay but the KIADB has been causing delay in acquiring the land and allotting the same to your company.

Now, the company vide letter dated 05.02.2025 has requested approval for extension of time by 2 years to implement the project, and to direct KIADB to allot the remaining land to an extent of 17.20 acres.

Recommendation of 119th LAC meeting:

The representative of the company appeared before the Committee and requested approval for extension of time by 2 years to implement the project.

The Committee noted the request of the company and after detailed discussions resolved to recommend to SLSWCC for extension of time by 2 years to implement the project, with a condition that further extension of time will not be considered.

Decision of the 152nd SLSWCC meeting held on 28.03.2025:

The Committee noted the request of the company and recommendation of Land Audit Committee and after detailed discussions decided grant extension of time by 2 years to implement the project, with a condition that further extension of time will not be considered.

Government has examined the recommendations made by the SLSWCC in its 152nd Meeting, in all aspects.

PROCEEDINGS OF THE GOVERNMENT OF KARNATAKA

Sub: Approval to the proposal of M/s. Prestige Builders and Developers Private Limited to establish "Integrated IT Park to cater to IT/ITeS and Hi-Tech Industries" at Attibele Industrial Area, Krishnasagara Balegaranahalli Villages, Attibele Hobli, Anekal Taluk, Bengaluru Urban District.

Read: Proceedings of the 152nd State Level Single Window Clearance Committee (SLSWCC) meeting held on 28.03.2025.

-:0:-

Preamble:

M/s. Prestige Builders and Developers Private Limited has proposed to establish a unit for "Integrated IT Park to cater to IT/ITeS and Hi-Tech Industries"

with an investment of Rs.475 crore, generating employment to about 12000 persons at Attibele Industrial Area, Krishnasagara Balegaranahalli Villages, Attibele Hobli, Anekal Taluk, Bengaluru Urban District.

In the 152nd State Level Single Window Clearance Committee (SLSWCC) meeting held on 28.03.2025, the representative of the company appeared before the committee and highlighted the project proposal and requested for allotment of 12 acres of land at Attibele Industrial Area, Krishnasagara Balegaranahalli Villages, Attibele Hobli, Anekal Taluk, Bengaluru Urban District.

The representative of the company also informed that M/s. Prestige Builders and Developers Private Limited, a wholly owned subsidiary of M/s. Prestige Estates Projects Limited. The promoters and Directors of the company have 40 years of experience in the construction industry and managing various businesses related to infrastructure development.

CEO & EM, KIADB submitted following facts on present status of aforesaid land parcel to the Committee:

1. On 12.10.1983 lease cum sale agreement was executed in favour of M/s. KV Forgings Private Limited for Plot Nos.10 & 11 at Attibele Industrial Area.
2. On 13.03.1997 the resumption order vide No. KIADB/3464/19223/96-97 was passed due to violations of terms of lease agreement.
3. On 20.12.2008 O.S No.154/2006 was filed for specific performance was came to be dismissed.
4. On 13.01.2021 the company preferred R.A No.31/2009. Same was allowed by setting aside the judgement and decree passed in O.S No.154/2006.
5. On 16.12.2024 the KIADB preferred RSA No.1884/2021. The Hon'ble High Court was pleased to allow the appeal by setting aside the judgement and decree dated 13.01.2021 passed in R.A.No.31/2009 and judgement and decree dated 20.12.2008 passed in O.S.No.154/2006 is confirmed.

The relevant portion of the order passed in RSA no.1884 of 2021 (GM-RES), order dated 16.12.2024. reads as under:

para 66 of the above Court Order,

"Before parting necessary also to note that by order dated 13.03.1997 a tEx.P17 defendant-KIADB has sought to resume 37120 sq. mtrs., of land as per the sketch enclosed as against total extent of 52093 sq. mtrs., of plot in its occupation. In other words the area which is in occupation of the plaintiff that is 14973 sq. mtrs.(52093-37120 sq. mtrs.)would be left with the possession of the plaintiff. Plaintiff would therefore be entitled to seek necessary conveyance to the extent of the land which is admittedly utilized and in its possession. Resultantly the following:

ORDER

Appeal is allowed. Judgment and order dated 13.01.2021 passed in R.A.No.31/2009 by the First Appellate Court is set aside and Judgment and decree dated 20.12.2008 passed in O.S.No.154/2006 on the file of the trial Court is confirmed".

Hence, the land (14973 sq mtrs) which is in the occupation of M/s. KV forgings Private Limited lies between the land parcels to be resumed as parcels 1 and 2 (i.e., parcel 1 measuring 14350 sq mtrs and parcel 2 measuring 22770 sq mtrs) total measuring to 37210 sq mtrs as per the above order.

Further, it is opined that as per the court order, KIADB has to take possession of 37,120 sq. m. of land from KV Forgings Private Limited leaving 14,973 sq. m. with KV Forgings.

However, the process of taking over the possession of 37120 sq mtrs of land will be initiated after obtaining the legal opinion.

Hence, out of total 52093 Sq. mtrs. of land extent at Plot No.10 & 11, only 37120 Sq. mtrs. of land (9.17 acres) may be considered by keeping in view the prevailing guidance value applicable to the industrial area.

The Committee noted the request of the company, opinion of CEO & EM, KIADB and after detailed discussions, resolved to approve the project proposal as under.

The proposal of the company was placed in the 152nd SLSWCC meeting held on 28.03.2025, for discussions and decision. The committee noted the request of the company land utilization details and after detailed discussions, resolved to approve the project proposal of M/s. Prestige Builders and Developers Private Limited.

Government has examined the recommendations made by the SLSWCC in its 152nd Meeting, in all aspects.

Hence the following order.

PROCEEDINGS OF THE GOVERNMENT OF KARNATAKA

Sub: Approval to the proposal of M/s. Karnataka Soaps and Detergents Limited to establish a unit for "Manufacturing of Soaps and Detergents" at Ittangihal Village, Vijayapura Taluk and District.

Read: Proceedings of the 152nd State Level Single Window Clearance Committee (SLSWCC) meeting held on 28.03.2025.

-:0:-

Preamble:

M/s. Karnataka Soaps and Detergents Limited has proposed to establish a unit for "Manufacturing of Soaps and Detergents" with an investment of Rs.250crore, generating employment to about 200 persons at Ittangihal Village, Vijayapura Taluk and District.

In the 152nd State Level Single Window Clearance Committee (SLSWCC) meeting held on 28.03.2025, the representative of the company

appeared before the committee and highlighted the project proposal and requested for approval of the project.

The representative of the company and informed that Karnataka Soaps and Detergents Limited (KS&DL) is a leading Indian company owned by the Government of Karnataka, renowned for manufacturing personal care products, including the globally recognized Mysore Sandal Soap. KS&DL holds the exclusive Geographical Indication (GI) tag for Mysore Sandal Soap and Mysore Sandalwood Oil, ensuring brand protection and quality standards. The company has a rich legacy dating back to 1916 when the Government Sandalwood Oil Factory was established by Maharaja Krishna Raja Wadiyar IV and M. Visvesvaraya to extract and export sandalwood oil. Mysore Sandal Soap was launched in 1918, and KS&DL became a public sector enterprise in 1980.

Over the years, KS&DL has expanded its product portfolio to include soaps, detergents, fragrances, talcum powder, hand washes, face washes, coconut oil and agarbathis. With manufacturing facilities in Bangalore, Mysore, and Shimoga, the company exports its products to 22 countries as of 2024. KS&DL is committed to quality, service, environmental safety, and Good Manufacturing Practices (GMP). It is certified with ISO 9001:2015 for quality assurance, ISO 14001:2015 for environmental policy and GMP compliance, ensuring the highest level of customer satisfaction.

As part of its growth strategy, KS&DL plans to establish a state-of the-art bath soap and detergent manufacturing unit utilizing modern technology. The project entails a total investment of Rs. 250.00 crore, covering land acquisition, building construction and machinery installation. The proposed facility will require approximately 50 acres of land to develop a world-class research and manufacturing plant catering to the domestic market. This initiative is expected to drive socio-economic growth in North Karnataka by creating substantial employment opportunities and enhancing industrial development in the region.

CEO & EM, KIADB informed that land is available at Ittangihal Village, Vijayapura District.

The proposal of the company was placed in the 152nd SLSWCC meeting held on 28.03.2025, for discussions and decision. The committee noted the request of the company, opinion of CEO & EM, KIADB, land utilization details and after detailed discussions, resolved to approve the project proposal of M/s. 4. Government Order No. CI 367 SPI 2022, dated 14.11.2022.
5. Proceedings of the 152nd State Level Single Window Clearance Committee meeting (SLSWCC) held on 28.03.2025.

-:0:-

Preamble:

The project proposal of M/s. Brigade Estates and Projects Private Limited to establish "IT/ITES SEZ with an Independent Township" in 25 acres of land at Devanahalli Industrial Area, Bengaluru Rural District with an investment of Rs.1233.36 crore, generating employment to about 26,000 persons was approved in the 24th SHLCC meeting held on 24.01.2011. Accordingly, Government Order read at (1) above was issued.

The request of company for change of activity from "IT/ITES SEZ with an Independent Township" to "IT/ITES Park" and reduction in project cost from Rs.1223.36 crore to Rs.475 crore was approved in the 46th SHLCC meeting held on 10.02.2017. Accordingly, Government Order read at (2) above was issued.

In the 100th SLSWCC meeting held on 20.06.2017, the committee approved the change of activity of the project from “IT/ITES Park” to “Aerospace & Defence Component manufacturing activities along with IT/ITES Park”. Accordingly, Government Order read at (3) above was issued.

In the 135th SLSWCC meeting held on 21.10.2022, was approved the following proposals for the earlier project proposal of M/s. Brigade Estates & Projects Private Limited:-

1. Inclusion of activity Data Centre along with earlier approved activity of Aerospace and Defence Component manufacturing activities along with IT/ITES Park.
2. Extension of time by 24 months to implement the project, subject to obtaining building plan approval from KIADB and commencement of construction of building within 6 months.

Accordingly, Government Order read at (4) above was issued.

Now, Company vide letter dated 19.11.2024, has informed that, Ever since they took over the property, they have been striving very earnestly to implement the project within the time allotted to us. However, Covid-19 pandemic has wreaked havoc to plans and they lost a great deal of time. They are aware, the tremendous negative impact brought in by Covid-19 has changed the real estate scenario. Adoption of work from home concept by companies in general and tech companies in particular has drastically reduced the requirement for commercial spaces. Thereafter, with the advent of hybrid model adopted by most of the companies, the requirement for commercial spaces has further reduced.

Thereafter, consistent with the requirements of globally renowned companies like NTT Data & STT, they obtained building plan sanction for a Data Center from KIADB and have also done significant amount of spadework for commencement of construction.

However, Data Centre being a very niche business and location being very critical, site was not shortlisted, forcing us to discontinue the works.

Company discussion with LAM Research, a global semiconductor equipment manufacturer, for setting up their facility is getting prolonged due to some unforeseen circumstances. Since, the execution plans were built-to-suit for a particular company, they were constrained to stop all works and start all over again, as and when the company they were in touch with did not fructify.

In view of the above company has requested for extension of time by 3 years to implement the project.

Recommendation of 119th LAC meeting held on 14.3.2025:

The representative of the company appeared before the Committee and requested approval for extension of time 03 years to implement the project.

The Committee noted the request of the company and after detailed **discussions** resolved to recommend to SLSWCC for extension of time by 1 years to implement the project with a condition that further extension of time will not be considered.

Decision of the 152nd SLSWCC meeting held on 28.03.2025:

The Committee noted the request of the company and recommendation of Land Audit Committee and after detailed discussions decided to grant extension of time by 01 year to implement the project, with a condition that further extension of time will not be considered.

Government has examined the recommendations made by the SLSWCC in its 152nd Meeting, in all aspects.

Hence the following order.

GOVERNMENT ORDER No. CI 367 SPI 2022, BENGALURU, DATE 25.04.2025

Government is pleased to grant extension of time to M/s. Brigade Estates & Projects Private Limited to implement the earlier approved project, for a period of one year, with a condition that further extension of time will not be considered.

All other terms and conditions indicated in the Government Order read at (1) above remains unaltered.

By Order and in the name of the
Governor of Karnataka,

Preamble:

M/s Shree Cement Ltd (SCL) is a major player in the Indian cement established in the year 1979, consistently ranking among the top three cement manufacturers in the nation. At present, SCL's cement production capacity stands at around 60.4 MillionTonnes Per Annum (MTPA) - comprising 56.4 MTPA in India and 4.0 MTPA in the United Arab Emirates (UAE) - SCL is strategically positioned for growth. The company is on track to achieve a production capacity exceeding 80 MTPA by the Financial Year 2028.

SCL reached a significant milestone of 1,000 MW installed power capacity, which includes a mix of solar, wind, thermal and waste heat recovery power plants. Our renewable energy capacity is now about 500 MW, fulfilling 55% of our energy needs through green sources. Our exceptional ESG score of 73 in the Dow Jones Sustainability Index highlights our commitment to environmental stewardship, social responsibility and robust governance.

Currently, SCL is serving the India's cement markets from its 17 cement manufacturing units including Integrated Unit (IU) and Grinding Units (GU) located at different states. As a part of SCL's commitment towards Renewable Energy, it also has power generation capacity of 1.0 GW in India (including 480 MW Waste Heat Recovery + Wind + Solar Power Plants). SCL emphasizes on circular economy with 7x water positive, consistent use of alternative Raw material & alternative fuel consumption.

PROCEEDINGS OF THE GOVERNMENT OF KARNATAKA

Sub: Amendment to the project proposal of M/s Rasasri Tech Park LLP - reg.

Read: 1. Government Order No. CI 183 SPI 2021, dated 02.06.2021.
2. Proceedings of the 65th State High Level Clearance Committee (SHLCC) meeting held on 28.05.2025.

—

Preamble:

The Project proposal of M/s Rasasri Tech Park LLP was placed in the 56th State High Level Clearance Committee (SHLCC) meeting held on 12.05.2021 to establish "Integrated Township" with an investment of Rs.4042.95 crore, generating employment to about 3000 persons at Gantaganahalli, Nagadasanahalli, Lakshmisagara and Nellukunte Villages, Yelahanka Hobli, Yelahanka Taluk, Bengaluru Urban District. Accordingly, Government Order read at (1) above was issued.

Now, the company vide letter dated 12.07.2024, has requested for Extension of time for a period of 4 years.

The proponent vide his letter dated 12.07.2024 has informed the followings:-

1. The Bangalore Development Authority (BDA) has recommended withdrawing the approval granted to company, citing plans for the AMRUTH Town Planning 60:40 scheme. However, this proposal faced significant opposition from landowners and farmers. Consequently, a meeting was held with officials representing both the Government of Karnataka and the Central Government of India. During this meeting, the substantial opposition from the landowners led to the decision to drop the scheme.
2. According to information obtained through RTI, the AMRUTH Town Planning Scheme has been dropped.
3. Additionally, it has come to attention that the Government of Karnataka has directed BDA to approve change of zone for various survey numbers (Sy. No. 14/3P and 14/5 of Gantiganahalli Village, and 359/1 of Bettahalsoor Village) adjacent to our project lands. The change of zone order specifies that the TP scheme for AMRUTH has been successfully cancelled by both the Government of Karnataka and the Central Government of India.
4. Additionally, they have secured a No Objection Certificate (NOC) from the BDA regarding the status of land. This confirms that there are no preliminary or final notifications related to land acquisition for project Survey Numbers affecting proposal.
5. On 10th June 2024, a high-level committee meeting was convened, chaired by the Additional Chief Secretary to the Government of Karnataka. During the meeting, it was directed that concerned departments grant extensions for the request they raised. This decision was made following the withdrawal of the AMURTH scheme by the Karnataka government and BDA.
6. They are pleased to update you that significant progress has been made towards the implementation of project. They have assembled a team of highly skilled master planners who are diligently designing and executing the project to meet the highest standards. Furthermore, they have signed a term sheet with Tishman Speyer India Limited to serve as Development Manager for the project. A copy of the term sheet is attached herewith. Concurrently, they are conducting comprehensive legal due diligence for all involved lands, with the support of experienced legal advisors.

Hence, requested for extension of time by 4 years to implement the project.

2. Addition of Sy. Nos. 105/2, 105/3, 183/3, 183/4, 183/5, 183/6, 185/7, 184/3, 184/4, 184/5, 188/2, 188/3, 188/4, 188/5, 188/12, 188/13, 188/15, 192/2, 192/3A, 192/3B 192/4, 192/3K, 177/1A, 177/7, 177/1B, 177/1K, 177/4, 177/8, 177/2, 177/3, 177/5, 189/3, 189/4, 189/5, 189/7 (Adjacent to existing 220 acres of land) at Alakanur Village (Total extent remains 84 acres 30 guntas already sanctioned) - acquisition through KIADB under compulsory acquisition.

Reasons /justification:

The company vide letter No. ICPL-ABS-/UM/ADMIN/2024-25, dated 01.03.2025 stated that, They have obtained sanction for acquisition of land through KIADB for implementation of the project 12000 TCD Sugar plant, 40 MW Co-gen plant & 180 KLPD Distillery. While applying to the High Level Committee They have given certain survey numbers to the extent of 84 acres 30 guntas land and same was sanctioned by the committee.

In the mean time they came to know that after finalization of plant layout, some of the survey numbers and the extent of land is not useful for implantation of the project.

Hence, they have identified the new survey numbers to be replaced, which are useful for the implementation of the project. Here by giving below the survey numbers of Alakahnur Village to be deleted from the SHLCC order as under.

185/2, 185/9, 188/1A, 188/1B/1, 188/1B/3, 188/1B/4, 188/1B/5, 188/6,188/1B/2, 192/1, 176/1E, 176/3, 176/4, 176/5, 176/1D, 176/1K, 176/1A, 176/1B, 176/6, 176/7, 176/8 and 176/9.

Further, they here by submit fresh Survey numbers and existing survey numbers for the modification of SHLCC order after deleting above survey numbers of Alakanur Village. The total extent will be 84 acres 30 guntas after adding these survey numbers, request to issue a corrigendum or issue modified SHLCC order.

105/2, 105/3, 183/4, 183/9, 183/5, 183/6, 185/3, 185/7, 185/3, 185/4, 184/5, 188/2, 188/3, 188/4, 188/5, 188/12, 188/13, 188/15. 192/2, 192/3A, 192/3B, 192/4, 192/3K, 177/1A, 177/7, 177/1B, 177/1K, 177/4, 177/8, 177/2, 177/3, 177/5, 189/3, 189/4, 189/5, 189/7, of Alakanur Village.

They informed that, by adding fresh survey numbers there will not be any change in the total extent of land 84 acres 30 guntas sanctioned by the SHLCC order.

Recommendation of 120th LAC meeting:

The representative of the company appeared before the Committee and requested approval for deletion of certain Sy. Nos. and inclusion of certain Sy. Nos. The Committee noted the request of the company and after detailed discussions resolved to recommend to SHLCC for approval of the following:

1. Deletion of Sy. Nos. 185/5 185/9/ 188/1A, 188/1B/3, 188/1B/4, 188/6, 188/1B/2, 192/1, 176/1E, 176/4, 176/5, 176/1K, 176/1A, 176/1B, 176/6, 176/7, 176/8 and 176/9 at Alakanur Village - acquisition through KIADB under compulsory acquisition.
2. Addition of Sy. Nos. 105/2, 105/3, 183/3, 183/4, 183/5, 183/6, 185/7, 184/3, 184/4, 184/5, 188/2, 188/3, 188/4, 188/5, 188/12, 188/13, 188/15, 192/2, 192/3A, 192/3B 192/4, 192/3K, 177/1A, 177/7, 177/1B, 177/1K, 177/4, 177/8, 177/2, 177/3, 177/5, 189/3, 189/4, 189/5, 189/7 (Adjacent to existing 220 acres of land) at Alakanur Village (Total extent remains 84 acres 30 guntas already sanctioned) - acquisition through KIADB under compulsory acquisition.

The amendment proposal of the company is placed in the 65th State High Level Clearance Committee (SHLCC) Meeting held on 28.05.2025 for discussion and decision. The Committee noted the details of the project proposal and after detailed discussion resolved to approve the proposal of M/s Indian Cane Power Limited.

Government has examined the recommendations made by the 65th SHLCC Meeting, in all aspects.

2. Proceedings of the 65th State High Level Clearance Committee (SHLCC) meeting held on 28.05.2025.

—

Preamble:

The Project proposal of M/s UFLEX Limited was placed in the 54th State High Level Clearance Committee (SHLCC) meeting held on 30.09.2020 to establish a unit for "Polyester Film, BOPP Film, CPP Film" with an investment of Rs.1464 crore, generating employment to about 900 persons at Mummigatti Industrial Area, Dharwad District. Accordingly, Government Order read at (1) above was issued.

Status of implementation:

The company vide letter dated 02.04.2025 stated that, M/s Uflex unit in Mummigatti, Dharwad has been approved by SHLCC vide Government Order No.CI 323 SPI 2020, dated 24.11.2020 and granted subsidy vide order dated 15.01.2021. The total investment was proposed Rs.1,464 crore to be completed by September 2025.

Accordingly, Company completed phase-I & II of the project to produce polyester film and CPP film with an investment of Rs.791.13 crore and taken Commercial production on 31.03.2023.

Now, the company requested for Extension of time for completion of Phase-III project from September 2025 to September, 2028 i.e 3 years.

Reasons /justification:

Company vide letter dated 02.04.2025 stated that, M/s Uflex unit in Mummigatti, Dharwad has been approved by SHLCC vide Order No.CI 323 SPI 2020, dated 24.11.2020 and granted subsidy vide order dated 15.01.2021. The total investment was proposed Rs.1,464 crore to be completed by September 2025.

Accordingly, Company completed phase-I & II of the project to produce polyester film and CPP film with an investment of Rs.791.13 crore and taken Commercial production on 31.03.2023.

Phase-III of the project to produce BOPP film is still pending to be implemented due to recession in global market which leads to lower demand for the product and severe price cut globally. However, company is keen to complete the project when the recession is turn around.

Hence, requested time by 3 years to implement the project.

Recommendation of 120th LAC meeting:

The representative of the company appeared before the Committee and requested approval for extension of time by 3 years to implement the project.

The representative of the company further informed they have completed phase-I & II of the project to produce polyester film and CPP film with an investment of INR 791.13 crore and taken Commercial production on 31.03.2023. Phase-III of the project to produce BOPP film is still pending to be implemented due to recession in global market which leads to lower demand for the product and severe price cut globally. However, they are keen to complete the project when the recession is turn around.

Hence, they requested to extend time for completion of Phase-III project from September 2025 to September, 2028 i.e., for 3 years.

CEO & EM, KIADB informed that an extent of 50.70 acres of land in Plot No.20 of Mummigatti I.A. has been allotted in favour of M/s UFLEX Limited. The PC has been issued on 10.03.2021 and lease agreement has been executed on 12.03.2021

The Committee noted the request of the company and after detailed discussions resolved to recommend to SHLCC for extension of time by 2 years to implement the project, with a condition that further extension of time will not be considered.

The amendment proposal of the company is placed in the 65th State High Level Clearance Committee (SHLCC) Meeting held on 28.05.2025 for discussion and decision. The Committee noted the details of the project proposal and after detailed discussion resolved to approve the proposal of M/s UFLEX Limited.

Government has examined the recommendations made by the 65th SHLCC Meeting, in all aspects.

Hence the following order:

GOVERNMENT ORDER No. CI 323 SPI 2020,
BENGALURU, DATE: 04.07.2025

Government is pleased to accord approval for the proposal of M/s Uflex Limited for extension of time by 2 years to implement the project, with a condition that further extension of time will not be considered.

Sub: Amendment to the project proposal of M/s JSW Neo Energy Limited to establish a "Narihalla Pumped Storage Project Scheme (557 MW) with its associated Dedicated Transmission Line" at Taranagar Village, Sandur Taluk, Ballari District.

Read: 1. Government Order No. CI 349 SPI 2022, dated 28.11.2022.
2. Proceedings of the 65th State High Level Clearance Committee (SHLCC) meeting held on 28.05.2025.

—

Preamble:

The Project proposal of M/s JSW Neo Energy Limited was placed in the 60th State High Level Clearance Committee (SHLCC) meeting held on 22.10.2022 to establish a "Narihalla Pumped Storage Project Scheme (557 MW) with its associated Dedicated Transmission Line", with an investment of Rs.2579.00 crore, generating employment to about 279 persons in 376 acres 32 Guntas Private/Forest/Govt. land at Taranagar Village, Sandur Taluk, Ballari District. Accordingly, Government Order read at (1) above was issued.

Status of Implementation:

1. Survey & Investigation:

- Detailed Topography Survey – Completed.

2. Environment Clearance:

- TOR received on 5th July 2023.
- Baseline Data Collected.
- EIA/EMP report under preparation.

3. Forest clearance:

- The primary reconnaissance survey report for the forest diversion has been prepared.
- FCA proposal submitted on 27.4.2023.
- PSC meeting held on 6.5.2023.
- EDS reply preparation is under process.

4. Detailed Project Report:

- FSR submitted on CEA on 15.03.2023.
- Comments on various chapters from CWC/CEA/GSI/CSMRS are being complied.
- Hydrology, Reservoir, power evacuation and transmission line chapters approved by CEA/CWC.

5. Water allocation:

The water availability study report has been submitted to KNNL, Govt. of Karnataka on 22.9.2023. Compliance to observations has also been submitted on 13.03.2024.

6. Private land Acquisition:

- Identification of land is completed.
- Aggregator to be appointed for land acquisition.

Now, The company, vide letter dated 01.10.2024, has requested approval for the following:

1. Extension of time by 2 year to implement the project.
2. Reduction of approved production capacity from 557 MW to 300 MW.
3. Transfer of approval from M/s JSW Neo Energy Limited to M/s JSW Energy PSP Three Limited.

Company has informed that various surveys and geo-technical investigation activities were started post receipt of Government Order for preparation of DPR. Drilling rigs to carry out exploratory drilling activities were mobilized in short time. However, the exploration drillings could not be continued due to certain forest ambiguities/restrictions. As a result of this, drilling activities had to be paused pending clarity/approval on the matter.

Further company has informed that Subsequent to MoEF & CC, Govt of India clarification dated 20.08.2024 regarding the matter, the State Forest Department gave a go ahead for exploration and survey (drilling) works on 29.08.2024 at the project. The drilling agency has now been re-mobilized to start drilling activities and carry out those site-specific tests.

Company had also made significant progress on our DPR preparation/ studies. Pre-DPR chapters, was submitted to the CEA (Central Electricity Authority) on March 16, 2023, for prior approval towards technical concurrence of the Project.

Company had two consultation meeting with CEA for finalization of Project Layout till date and four chapters are also being approved by them.

Further it is informed that project has undergone some changes in configuration purely due to technical reasons. The Project capacity had to be reduced from original 557 MW to 300 MW due to electro-mechanical machine related constraints, which came out during detailed technical due diligence/studies.

The new entity M/s JSW Energy PSP Three Limited, has received a Letter of Intent (LOI) on 29.03.2023 from Power Company of Karnataka Limited (PCKL) for the procurement of 2,400 MWh (300 MW x 8 hours) of energy storage from the Pumped Hydro Storage Project

The project has achieved critical milestone in getting NOC from Dept. of Mining for the project area. The approval from Railways' Hubli Head Quarter is also expected very soon for NOC towards crossing the existing Railway Track over the underground-proposed tunnel.

Citing above reasons company has requested approval for the amendments.

Recommendation of 117th LAC meeting:

The representative of the company appeared before the Committee and requested approval for extension of time, reduction in production capacity and transfer of approval.

The Committee noted the request of the company and after detailed discussions resolved to recommend to SHLCC for approval of the following:

1. Extension of time by 2 years to implement the project, with a condition that further extension of time will not be considered.
2. Reduction of approved production capacity of Pumped Storage project from 557 MW to 300 MW
3. Transfer of approval from M/s JSW Neo Energy Limited to M/s JSW Energy PSP Three Limited.

The amendment proposal of the company is placed in the 65th State High Level Clearance Committee (SHLCC) Meeting held on 28.05.2025 for discussion and decision. The Committee noted the details of the project proposal and after detailed discussion resolved to approve the proposal of M/s JSW Neo Energy Limited.

Government has examined the recommendations made by the 65th SHLCC Meeting, in all aspects.

Hence the following order:

GOVERNMENT ORDER No. CI 349 SPI 2022,
BENGALURU, DATE: 04.07.2025.

Government is pleased to accord approval for the following amendment proposal of M/s JSW Neo Energy Limited;

- *Extension of time by 2 years to implement the project, with a condition that further extension of time will not be considered.*
- *Reduction of approved production capacity of Pumped Storage project from 557 MW to 300 MW.*

- *Transfer of approval from M/s JSW Neo Energy Limited to M/s JSW Energy PSP Three Limited.*

All other terms and conditions indicated in the Government Order read at (1) above, remain unaltered.

By Order and in the name of the
Governor of Karnataka,

(**SHILPA S.R.**)
Desk Officer (Technical Cell),
Commerce & Industries Department.

Reasons /justification:

The company vide letter dated 05.03.2025 has informed that they have submitted application in order to facilitate acquisition of land parcels to the tune of 88 acre 4 guntas (1 acre 37 guntaskharab land) Acres, as detailed in **"Annexure III",** abutting our plant location as well in the vicinity as the surrounding region of Hirebhaganal, Chikkabaganal and Halwarti have developed into major industrial areas and dominated by presence of industries such as M/s Xindia Steels to the North and West of our plant (marked in purple shade in **Annexure IV),** M/s DhruvadeshMetasteel Pvt Ltd. to the south of our plant (marked in blue shade in **Annexure IV),** M/s Baba Akhila Sai Jyothi Industries Private Limited to the south (marked in red shade in **Annexure IV)**, there are only few land parcels remaining in private agricultural ownership (marked in yellow in Annexure IV) and are situated amidst these above mentioned industries and share a common boundary with our plant site. KIADB has also acquired a piece of land in Sy.No. 177 of Hirebhaganal Village, Koppal Taluk and Koppal District which is also in the same vicinity and shares boundary with KPPPL Site in the North-West boundary side. In the above light acquiring these land parcels for industrial use will be a benefitting situation for us and the landowners as well and hence we request you to consider our application and understand the dire necessity.

The acquisition of these land parcels is also essential for the following reasons:

1. Presence of Buffer Zone in the vicinity:

The Tungabhadra Reservoir is situated to the east of our plant site and there exists a buffer zone of 500 mts from the reservoir boundary within which No Industrial activity is permitted (Denoted by the blue circle in Annexure IV) as per the MOEF Notification (Please refer to Annexure V). Major part of our land parcel in the North East boundary falls within this buffer zone and hence we cannot utilize the same for Industrial activity because of the Environmental Safety guidelines.

2. Construction of Reservoir:

a. The annual water requirement for smooth operation of plant is calculated at 20 Million Liters per day for which permission was granted in the 57th SHLCC meeting held on 16.11.2021 and the availability for the same is from Tungabhadra Reservoir situated to the east of our factory location as per our preliminary approval from Karnataka Neeravari Nigam Limited. The permission for drawl of water from Karnataka Neeravari Nigam Limited, Munirabad is conditional in nature wherein water is permitted to be lifted from the reservoir only during the surplus water availability period (approximately 40 days in a year) and has to be stored in reservoir constructed at out plant location. Consequently, this necessitates the construction of an on-site water reservoir at our plant to store the required volume.
b. We propose the construction of a water reservoir with a tentative capacity of 0.257 TMC. This requirement demands additional land acquisition for the construction of the reservoir to house adequate water demand.

3. Presence of Natural Obstructions (NAALA):

The existing land parcel has a seasonal rain water Naala cutting across the existing land parcel through the center of the land. The proposed plant machinery layout demands availability of continuous land without any natural obstructions or deviations such as Naala, culverts or ponds. The presence of any such obstruction will affect the placement of machinery and will further cause problems with regards to the approvals from various organizations. Also for the continuous and hassle free placement of machinery further availability of land parcel abutting to our plant is needed. Therefore, the acquisition of an additional land parcel abutting our plant is essential for the uninterrupted and efficient placement of our machinery.

Their plant has been contributing significantly to the economic development of the region, providing employment opportunities and supporting local business. The acquisition of the additional land will enable us to introduce new technology, create further employment opportunities, thus benefitting the local community and the state of Karnataka.

Hence, the requested for Acquisition and allotment of 88 acres 4 guntas of land (which are adjacent to present location of the Company) by KIADB as SUC at Sy.Nos.164, 164/1, 165/1, 165/2, 165/3, 165/4, 165/5, 165/6, 167/1, 167/2, 167/3, 167/4, 167/5, 167/6, 169, 170/1, 170/2, 170/3, 170/4, 171/1, 172/1, 172/2, 157, 158, 174/3, 175/1, 175/3, 176/2 of Hirebaganal Village, Koppal Taluk and District (including 1 acre 37 guntas Kharab land).

Recommendation of 118th LAC meeting:

The Committee recommended to SHLCC for grant of extension of time by 3 years to implement the project, with a condition that further extension of time will not be considered.

Recommendation of 119th LAC meeting:

The representative of the company appeared before the Committee and requested approval for acquisition and allotment of additional 88 acres 4 guntas of land by KIADB as SUC at various Sy.Nos. of Hirebaganal Village, Koppal Taluk and District.

The Committee noted the request of the company and after detailed discussions resolved to recommend to SHLCC for approval of acquisition and allotment of 88 acres 4 guntas of land by KIADB as SUC at Sy.Nos.164, 164/1, 165/1, 165/2, 165/3, 165/4, 165/5, 165/6, 167/1, 167/2, 167/3, 167/4, 167/5, 167/6, 169, 170/1, 170/2, 170/3, 170/4, 171/1, 172/1, 172/2, 157, 158, 174/3, 175/1, 175/3, 176/2 of Hirebaganal Village, Koppal Taluk and District (including 1 acre 37 guntasKharab land).

The amendment proposal of the company is placed in the 65th State High Level Clearance Committee (SHLCC) Meeting held on 28.05.2025 for discussion and decision. The Committee noted the details of the project proposal and after detailed discussion resolved to approve the proposal of M/s Khayati Pipes and Power Private Limited.

Government has examined the recommendations made by the 65th SHLCC Meeting, in all aspects.
